

The following tournaments are recommended for Zeta fencers and we plan to provide coaching at all listed events. Please sign up for coaching when you register for an event. The club's coaching sign-up deadline is the same as the regular fee registration deadline of the event (last column). If fewer than 10 students sign up for a competition, we may not send a coach depending on specific circumstances. Coaching at events hosted by BFC or other local clubs is provided at no charge and there will be no coaching sign-up lists.

This schedule will be updated throughout the season, please check back for the most current version frequently.
